PROFILE

Looking for an opportunity to work in a professionally managed organization, where I can utilize my skills and abilities to gain new experience and achieve organizational goals.

PROJECTS

PORFOLIO:

Built a visually engaging portfolio using HTML,CSS

BLOGAPI:

Developed an application with Django REST framework for managing categories, tags, posts, and comments, Implemented CURD functionality using Django generics and serializers

ECOMMERCE WEBSITE:

Designed and developed an e-commerce platform using Django, HTML, CSS, JavaScript, jQuery, and Bootstrap. Implemented features such as user authentication, product catalog, and a responsive shopping cart. Achieved successful deployment, ensuring a seamless user experience.
